

A ROOM WITH A VIEW

Noel Coward - 1928

verse

C Gm7 F C7
I've been cherishing, through the perishing
F Fdim C7
Winter nights and days,
F Fdim C7 C13 F C#7 C7 G7 C7
A funny lit-tle phrase that means
C Gm7 F C7
Such a lot to me that you've got to be
F Fdim C7
With me heart and soul,
C6 Cdim G7 F7b5 C
For on you the whole thing leans.

Gm7 C7 F F6 F
Come with me and leave behind the noisy crowds.
G9 G7 C13 C7 C13 C7
Sunlight shines for us above the clouds.
C Gm7 C#7 C7
Please don't turn away or my dream will stay
Fm Fdim C7
Hidden out of sight
F Fdim C7 C13 F C7
A-mong a lot of might have beens!

chorus 1

C+add9 F F6 C+
A room with a view, and you,
C7 F Dm7 Fdim
And no-one to worry us, No one to hurry us
Gm7 Bbmaj7 C7 Fmaj7 Dm7 C7
Through this dream we've found.

C+add9 F F6 C+
We'll gaze at the sky, and try
C7 F Dm7 Fdim
To guess what it's all about, Then we will figure out
Gm7 Bbmaj7 C7 F Bb F
Why the world is round!

F7 Bb C7
We'll be as happy and con-tented as
F C7 F A7
Birds up-on a tree,
Dm Dm7 Dm6 G7 Gm7 Gm7b5 C7
High a-bove the moun-tains and sea.

C+add9 F F6 C+
 We'll bill and we'll coo - ooo-oo,
C7 F Dm7 Fdim Gm
 And sorrow will never come, Oh, will it ever come true,
C7 F Fdim C7
 Our room with a view?

chorus 2

C+add9 F F6 C+
 A room with a view, and you,
C7 F Dm7 Fdim
 And no-one to give a-dvice, That sounds a paradise
Gm7 Bbmaj7 C7 Fmaj7 Dm7 C7
 Few could fail to choose.

C+add9 F F6 C+
 With fingers ent-wined, we'll find
C7 F Dm7 Fdim
 Re - lief from the preachers who, Always beseech us to
Gm Bbmaj7 C7 F Bb F
 Mind our P's and Q's.

F7 Bb C7
 We'll watch the whole world pass be-fore us
F C7 F A7
 While we are sitting still,
Dm Dm7 Dm6 G7 Gm7 Gm7b5 C7
 Leaning on our own window sill.

C+add9 F F6 C+
 We'll bill and we'll coo - ooo - oo,
C7 F Dm7 Fdim
 And maybe a stork will bring, This, that and t'other thing
Gm C7 F end Bbm6 F
 To our room with a view.

F7b5	= 2330	Fdim	= 1212
C+add9	= 1203	C13	= 3000
Bbmaj7	= 3210	C+	= 1003
Gm7b5 (Bbm6)	= 0111	Gm7	= 0211
Dm6	= 2212	Fmaj7	= 5500
F6 (Dm7)	= 2213	C#7	= 1112
