

AMELIA EARHART'S LAST FLIGHT

Dave McEnery - 1939

Verse 1:

D **D7**
A ship out o'er the ocean
G **Em**
Just a speck against the sky
A7 **Em7** **A7** **D** **Adim** **A7**
A-mel-ia Earhart flying that sad day

D **D7**
With her partner Captain Noonan
G **Em**
On the second of Ju-ly
A7 **Em7** **A7** **D** **A# D**
Her plane fell in the ocean far a-way

Chorus:

G **D**
There's a beau-ti-ful beau-ti-ful field
E7 **A7** **Em7** **A7**
Far away in a land that is fair
D **D7** **G** **Em**
"Happy Landings" to you, A-mel-ia Ear-hart
A7 **Em7** **A7** **D** **A# D**
Fare-well First Lady of the air.

Verse 2:

D **D7**
She radioed posi-tion
G **Em**
And she said that all was well
A7 **Em7** **A7** **D** **Adim** **A7**
Al-though the fuel with -in the tanks was low

D **D7**
But they'd land on Howland Island
G **Em**
To fuel her mon-o-plane
A7 **Em7** **A7** **D** **A# D**
Then on their trip a-round the world they'd go

Verse 3:

D **D7**
A half an hour lat-er
G **Em**
An S.O.S. was heard
A7 **Em7** **A7** **D** **Adim** **A7**
The signal weak but still her voice was brave

D **D7**
In shark infested waters there,
G **Em**
Her plane went down that night
A7 **Em7** **A7** **D** **A#** **D**
In the blue Pacific to a wat'ry grave

D **D7**
Now you have heard my story
G **Em**
Of that awful trage-dy
A7 **Em7** **A7** **D** **Adim** **A7**
We prayed that she might fly home safe a-gain

D **D7**
In years to come though others
G **Em**
Blaze a trail across the sea
A7 **Em7** **A7** **D** **A#** **D**
We'll ne'er forget A-melia and her plane

End chords: G D
