### chorus 2

Collegiana started at Yale  
Spread out to Princeton and blazed a trail  
It gooled'em them up at Harvard  
It clicked at N.Y.U.

Each California and Navy boy  
Started to leap and dance with joy  
They did Collegiana  
'Cause it was something new.

Williams, Dartmouth and Pennsylvania  
All got the mania – and how  
Out at Lehigh, knee-high they step to it  
There's lots of pep to it, hear me!

You see'em burn up, turn up a heel  
Air their books, they begin to feel  
The thrill in that Hosanna  
Collegiana Reel.
