When the Turkish Sultan saw her eyes
Oh he was taken by surprise
He said I'll buy her for my Harem.
I just told the Sultan to be nice
She can't be bought for any price
She said to me she could't bare him
        G#7
So be - neath the Oriental moon
                                C7
I'll be wooing my love real soon.
