

FALLING IN LOVE AGAIN (CAN'T HELP IT)

Fredrich Hollander – 1930

Verse

C **F#dim**
I'm much too sentimental,
G7
My heart is never free;
G7
Perhaps it's accidental
C **G7**
That love should come to me.
C **C6**
Some little thing within me
G **E7** **F** **F#dim**
Protects me for a while,
C **D7**
'Til someone comes to win me
G7 **Gaug**
With only a smile.

Chorus

C **C7** **F** **Fm**
Falling in love again,
C
Never wanted to;
Dm7 **Fm6** **G7** **C** **F#dim** **G7**
What am I to do? Can't help it!

C **C7** **F** **Fm**
Love's always been my game,
C
Play it how I may,
Dm7 **Fm6** **G7** **C** **Am6** **B7**
I was made that way, can't help it!

E7
Men cluster to me,
Am
Like moths around a flame;
D7
And if their wings burn,
G **C#dim** **G7** **Gaug**
I know I'm not to blame.

C **C7** **F** **Fm**
Falling in love again,
C
Never wanted to;
Dm7 **Fm6** **G7** **C**
What am I to do? Can't help it!

Turnaround to repeat chorus: F#dim G7

Arrangement by Dave Calvert
