

HERE WE ARE

Gus Kahn, Harry Warren – 1929

Verse 1

Dm **E7**
I hate to think what might have been
A7 **Dm**
If we had never met.
G9 **C7** **C9+5** **F**
Why should I suppose that this could be?
Dm **E7**
The weary days, the lonely nights,
A7 **Dm**
Are easy to forget
Ab7 **C** **Am** **D9** **G9** **C** **Bb** **C7**
Since I am here and you are here with me.

Chorus

Gm7 **C7** **F**
Here we are, you and I.
Cdim7 **Gm** **C7** **Caug** **F**
Let the world hurry by.
A7 **Gm** **C7** **F**
Even while I waited, somehow dear I knew
Fdim7 **C7** **Caug** **F**
You'd find me, I'd find you.
Gm7 **C7** **F**
Here we are, alone together,
Cdim7 **Gm** **Eb7** **E7b5** **A7**
What mat – ter whether we wander'd far.
Gm **Bbm6**
And though we haven't got a bankful,
Am **F** **F7** **E7** **Eb7** **D7**
We can still be thankful
G7 **C7** **F**
That here we are.

Verse 2

Dm **E7**
I waited long, I wandered far
A7 **Dm**
But said "I'll find her yet",
G9 **C7** **C9+5** **F**
And love will make the waiting worth the while.
Dm **E7**
And I'm repaid for ev'ry little
A7 **Dm**
Moment of regret
Ab7 **C** **Am** **D9** **G9** **C** **Bb** **C7**
The clouds have vanished since I saw your smile.

Repeat chorus, end: C7 F

Arrangement by Dave Calvert
