HOW DEEP IS THE OCEAN

Irving Berlin - 1932

intro last 8 measures

```
 C                C#dim
How can I tell you
 Dm7    G7        C    C#dim Dm  G7
what is in my heart?
 C                C#dim
How can I measure
 Dm7      G7      C     F#m7b5   B7
each and every part?
 Em7
How can I tell you
 F#m7b5   B7      Em7      Edim
how much I love you?
 Dm
How can I measure
 Bm7b5           E7      E7inv
just how much I do?
```

```
 Am7             Bm    E7
How much do I love you?
 Am7             F#m7b5   B7
I'll tell you no lie
 Em              F#m7b5   B7
How deep is the ocean?
 Em          Ebm  Dm   G7
How high is the sky?
```

```
 C7
How many times a day do
 F7              F7  F#7  G7  Ab7
I think of you?
 Ab7
How many roses are
 G7              G#dim
covered with dew?
```

```
 Am7             Bm    E7
How far would I travel
 Am7             F#m7b5   B7
To be where you are?
 Em              F#m7b5   B7
How far is the journey
 Em          Ebm Dm   G7
From here to a star?
```

```
 C7      Bb7  A7
And  if  I   ever lost you
 Dm7             Dm7b5  Bb7
How much would I cry?
 C                   Am  Am/maj7  Am7
How deep is the ocean?
 D9   G7          C     Bmaj7   Cmaj7
How high is the sky?
```
