

HOW I LOVE YOU

(I'm Tellin' the Birds - Tellin' the Bees)

Lew Brown, Cliff Friend - 1926

Verse 1:

Bb **Eb** **Bb** **Eb**
Through fields of golden flowers where we spent sunny hours
Bb **F7** **Bb Bdim Cm7 F7**
I'm stolling a-long think-in' of you
Bb **Eb** **Bb** **Eb**
I told a four leaf clover my lone-some days are over
C7 **F7** **Bdim F7**
I talk about you all the day through

Chorus:

Bb **Bb7 Eb** **Eb7**
I'm tell-in' the birds, Tell-in' the bees
Bb **Bb7 Cm** **G7**
Tell-in the flow'rs, Tell-in' the trees
C7 F F7 Bb Bdim Cm7 F7
How I love you
Bb **Bb7 Eb** **Eb7**
I'm tell-in' the moon, Tell-in' the sun
Bb **Bb7 Cm** **G7**
Tell-in' the stars, Tell-in' each one
C7 F7 Bb Bb7
How I love you

Eb **Bb G7**
I feel so happy and I show it
Cm **C7 F F7**
I want the whole wide world to know it
Bb **Bb7 Eb** **Eb7**
The shady old nook shadows that fall
Bb **Bb7 Cm** **G7**
Little old brook, I'm tell-in' them all
C7 F F7 Bb Bdim Cm7 F7
How I love you

Verse 2:

Bb **Eb** **Bb** **Eb**
Here where we used to wander I sit a-lone and ponder
Bb **F7** **Bb Bdim Cm7 F7**
"Day dreaming" of you all of the time
Bb **Eb** **Bb** **Eb**
If you don't think I love you, just ask the stars above you
C7 **F7** **Bdim F7**
For since you told me that you'd be mine
