**D**                    **D6**        **Dmaj7**        **D6**  
Though the days are long,  
**B7..a**    **B7..b**    **B9..c#**    **B7..b**  
Twilight sings a song,  
**E7**                    **Gm6**        **A7**        **D - D6 - Dmaj7 - D6**  
Of the happiness that used to be;  
**C#7**  
Soon my eyes will close,  
**G#m7b5** **C#7** **F#m...clique**  
Soon I'll find repose,  
**A**        **C#dim**        **Bm**        **E7**        **A**    **A7**  
and in dreams you're always near to me. I'll

---

**G**                    **Gm6**  
See You In My Dreams,  
**D**                    **C#7**        **Bm**  
Hold you in my dreams,  
**B7**                    **F#m**        **B7**                    **B7inv**  
Someone took you out of my arms,  
**E7**                    **A7**                    **Ab7**  
Still I feel the thrill of your charms,

---

**G**                    **Gm6**  
Lips that once were mine,  
**D**                    **C#7**        **Bm**  
Tender eyes that shine,  
**Am6**        **B7**                    **F#7**        **Bm**        **Bm/A**  
They will light my way tonight, I'll  
**G**                    **Gm6** **A13** **D - D6 - Dmaj7 - D6**  
See You In My Dreams.

---

**D D6 Dmaj7 D6**  
In the dreary gray,  
**B7..a B7..b B9..c# B7..b**  
of another day,  
**E7 Gm6 A7 D - D6 - Dmaj7 - D6**  
You'll be far away and I'll be blue;  
**C#7**  
Still I hope and pray,  
**G#m7b5 C#7 F#m...cliche**  
thru each weary day,  
**A C#dim Bm E7 A A7**  
For it brings the night and dreams of you. I'll

---

**G Gm6**  
See You In My Dreams,  
**D C#7 Bm**  
Hold you in my dreams,  
**B7 F#m B7 B7inv**  
Someone took you out of my arms,  
**E7 A7 Ab7**  
Still I feel the thrill of your charms,

---

**G Gm6**  
Lips that once were mine,  
**D C#7 Bm**  
Tender eyes that shine,  
**Am6 B7 F#7 Bm Bm/A**  
They will light my way tonight, I'll  
**G Gm6 A13 D - D6 - Dmaj7 - D6**  
See You In My Dreams.
