IF A HAD A TALKING PICTURE OF YOU

B. G. De Silva, Lew Brown, Ray Henderson - 1929

verse 1

G7　Em7　G7　Em7　　C
I talk to your photo-graph each day
G7　　Em7　G7　Em7　Em7b5　A7
You should hear the lovely things I say
Dm11　Dm　　Fm　Fm6　C
But I've thought how happy I would be
D9　　D7　　　G7　G7sus　G7
If your photo-graph could talk to me

chorus

　C　　　Gdim　G7
If I had a talking picture of　　you,
　　G9　　G7　　C
I would run it every time I felt blue,
　　Em7b5　　A7
I would sit there in the gloom
　　Dm　　　D9
Of my lonely little room and ap-plaud each time
　D7　　G7　　G+
You whispered, "I love you; love you."

　　C　　　　Gdim　G7
On the screen the moment you came in　　view
　　G9　　　G7　E7　Bm7b5　E7
We would talk the whole thing over, we two,
　　Am　　Bb7b5
 I would give ten shows a day,
　　Am　　D9
And a midnight mati-née,
　Dm　　G7　　Cinv　Eb7　Dm7inv　G7inv
If I had a talking picture of you.
