Em7   Gm6 F#m   D
I might as well   con – fess it,

And you don't have to guess it,
Em7   A7   A+   D
I kinder think you're swell.
Em7 Gm6   F#m   D6
Don't wanna see a doctor,
E7   E13   A7 F#dim A7
But someone I must tell.

      D   F#m7b5 B9

'Cause I want you outright   it's true.

Em7            Gm6    F#m   D

For ev'ry stock  I've     heard
F#m         C#7        F#m
For ev'ry fluctu  -  ation,

Somebody gives the word.
Em7   Gm6      F#m       D6
What was the last  Quotation,

chorus 2

```
    Em7              Gm6
I'll have to see my broker,
       D              F#m7b5   B9
Find out what he can          do,
       Em7       F#m  F#dim  A7  D     F#dim  A7
'Cause I'm in the mar - ket       for  you - oo   -   oo.
      Em7                Gm6
You might find there's a joker,

A big reaction,       too,
       Em7       F#m     A13      D    Em7   D
'Cause my ticker tells me      it's due.

Your' going up,   up,    up in my estimation,
        Fdim  Abm7b5        Gm7b5           A7  F#dim  A7
But ma - ny      wiser heads have been mistaken too.
      Em7          Gm6
You've got me in a corner,
      D              F#m7b5   B9
Now show me what to         do,
      Em7       F#m     A9      D          end   Gm6  D .. D6
'Cause I'm in the market       for you
