

LET'S CALL THIS WHOLE THING OFF

George Gershwin - 1937

C **A7** **Dm7** **G7**
Things have come to a pretty pass,

C **F9#11**
Our romance is growing flat,

Cdim **E7#5** **A7**
For you like this and the other

D7 **D13** **G7** **G7#5**
While I go for this and that.

C **A7** **Dm7** **G7**
Goodness knows what the end will be;

C **F13**
Oh, I don't know where I'm at

Em7 **A7** **Am7** **D7** **G**
It's plain to see we two will never make one,

Dm **G7** **C** **C7**
Something must be done.

F **Dm7** **Gm7** **C7**
You say either and I say eyether,

F **Dm7** **Gm7** **C7**
You say neither and I say nyther;

F **F7** **Bb** **Bbm6**
Either, eyether, neither, nyther,

F **Dm7** **Gm7** **C7** **C7#5**
Let's call the whole thing off!

F **Dm7** **Gm7** **C7**
You like potato and I like potahto,

F **Dm7** **Gm7** **C7**
You like tomato and I like tomahto;

F **F7** **Bb** **Bbm6**
Potato, potahto, tomato, tomahto!

F **Bb** **C7** **C13** **F**
Let's call the whole thing off!

Bm7b5 **E7** **Am7** **D7**
But oh! If we call the whole thing off,
Gm7 **C7**

Then we must part.

Bm7b5 **E7** **Am7** **D7b9**
And oh! If we ever part, Then that might

Gm7 **C7**
Break my heart! So, if

F Dm7 Gm7 C13
You like pajamas and I like pajamas,
F Dm7 Gm7 C13
I'll wear pajamas and give up pajamas.
F F7 Bb Bbm6
For we know we need each other, so we
F Bb Am7b5 D7
Better call the calling off off.
Gm7 C9 F C7#5
Let's call the whole thing off!

**You say laughter and I say laighter
Laughter, laighter After, aifter,**

**You say after and I say aifter
Let's call the whole thing off**

**You say havana and I say havhana
Havana, havhana, banana, banhana**

**You eat banana and I eat banhana
Let's call the whole thing off**

**But oh, if we call the whole thing off
And oh, if we ever part**

**Then we must part
Then that might break my heart**

**So, if you say oysters and I say eysters
For we know we need each other so we**

**I'll eat oysters and give upeysters
Better call the calling off, off**

Oh, let's call the whole thing off
