

MAYBE IT'S THE MOON

Richard H. Whiting - 1931

verse

E+ Abadd9 B7
Do I need a reason for wanting to pet you
E7 D E7 Edim7
And feeling this way about you?
Bm C#7 F#m
If that needs a reason I'm going to let you
B13 B7 E7 F7 B7 E+
Decide for yourself why I do

chorus

A C#m7 A F#m
Maybe it's the moon, maybe it's your eyes
A C#dim7 D E7
Maybe just the spell of the June night

Maybe it's the tune sweethearts harmo-nise
Bm7 E9 C#dim7 A
Maybe, who can tell in the moon - light

A A9
When you're in my arms,
C#7 A9
What is it that charms
D6 Ab7 Ab7b9
We never ever get quite e-nough of
A C#7 B7 B9
Maybe it's the moon, blame it on the moon
B7 B7b5 E9 A
But I think it's love
