chorus (girl)

**He is my fate with capital "F" in it
Now in my dreams there'll be some one definite
Ring down the curtain, I'm certain at present
My future just passed
Don't even know if he has been spoken for
If he is tied the ties must be broken for
Life can't be that way to wake me, then break me
My future just passed
Stars in the blue, tho' you're at a distance you can assure me but
Sometimes a girl encounters resistance, help me to win this boy
Here are my arms, may he find illusion there
Kiss my two lips, remove all the rouge on there
Now that I'm living, I'm living at last
My future just passed**
