

# OUR LOVE IS HERE TO STAY

Gerswin - 1937

**D**  
The more I read the papers,  
**B7**  
the less I comprehend.  
**Em A7 Gdim**  
The world and all it's capers  
**Bm7 E7 A7**  
and how it all will end.  
**G A7 D**  
Nothing seems to be lasting,  
**E7 E13**  
but that isn't our affair.  
**G F#m Em D C#m7b5 F#7**  
We've got some thing permanent,  
**B Em7 A7**  
I mean in the way we care.

---

**Bm7 E7**  
It's very clear  
**Em7 A7 D Em7 Fdim Dinv**  
our love is here to stay.  
**Bm7 E7**  
Not for a year,  
**G A7 F#m7b5 B7**  
but ever and a day.  
**C#7 F#m B7 Em A7**  
The ra dio and the telephone  
**D7 G C#m7b5**  
and the movies that we know.  
**F#7 Bm.. cliche..to m6**  
May just be passing fancies  
**E7 Em7 A7**  
and in time may go.

---

**Bm7 E7**  
But, oh my dear,  
**Em7 A7 D Em7 Fdim Dinv**  
our love is here to stay.  
**Bm7 E7**  
Together we' re  
**G A7 F#m7b5 B7**  
going a long, long way.

---

**C#7 F#m7 B7**  
In time the rockies may crumble,  
**Em7 A7**  
Gibraltar may tumble,  
**D7 G C#m7b5 Ddim**  
they're only made of clay but  
**D Bm7 Em7 A7**  
our love is here to  
**Abm7b5 Gm7 F#m7 Adim Em7 Eb7b5/c..bb..a..g D... C#6 D6**  
stay.
