

# STARDUST

Hoagy Carmichael - 1927

**Bb** **Eb9**  
And now the purple dusk of twilight time  
**D7b9** **G7**  
Steals across the meadows of my heart  
**Cm7** **Bb** **Gm7**  
High up in the sky the little stars climb  
**A7** **Dm7** **C#m7** **Cm7** **F7**  
Always reminding me that we're a part

---

**Bb** **Eb9**  
You wander down the lane and far away  
**D7b9** **G7**  
Leaving me a song that will not die  
**Cm7** **Bb** **Gm7**  
Love is now the stardust of yesterday  
**F7** **Bb** **Ebm** **Bb** **Bbaug**  
The music of the years gone by. Sometimes

---

**Eb6** **Ebm/maj7**  
I wonder why I spend these lonely nights  
**Ab7** **Bb** **Dm7** **G7**  
Dreaming of a song the melody haunts my reverie  
**Cm7** **G7** **Cm** **..minor cliche..**  
And I am once again with you  
**F9**  
When our love was new  
**F+** **Bb** **F7** **Bb** **Dm7** **Gm7**  
And each kiss an inspiration  
**C7**  
But that was long ago now my consolation  
**F7** **Cm7** **F7** **E7**  
Is in the stardust of a song

---

**Eb6** **Ebm/maj7**  
Beside a garden wall When stars are bright  
**Ab7** **Bb** **Dm7** **G7** **Edim**  
You are in my arms The nightingale tells his fairy tale  
**Cm7** **G7** **Cm**  
A paradise where roses bloom

---

**Eb** **Ebm6**  
Though I dream in vain  
**Bb** **Gm7** **D7** **Gm7**  
In my heart it will remain  
**Cm** **..minor cliche..** **Cm7**  
My stardust melody  
**F9** **Bb** **Ebm6** **Bb** **... Bb6**  
The memory of love's refrain

---
