

# THE WAY YOU LOOK TONIGHT

Dorothy Fields, Jerome Kern - 1936

D Bm Em7 A7 - F#m7 B7 Em7 A7

---

D Bm7 Em7 A7  
Some day, when I'm awfully low

D B7  
When the world is cold

Em7 A7 D D7  
I will feel a glow just thinking of you

Em7 A7

And the way you look

D Bm Em7 A7 - F#m7 B7 Em7 A7  
tonight. But, you're

---

D Bm7 Em7 A7

Lovely, with your smile so warm

D B7

And your cheeks so soft

Em7 A7 D D7

There is nothing for me but to love you

Em7 A7 D G D

And the way you look tonight

---

F F#dim Gm7 C7

With each word your tenderness grows

F Abdim Gm7 C7

Tearin' my fear apart

F F#dim Gm7 C7

And that laugh, wrinkles your nose

F Dm7 Em7 A7

Touches my foolish heart Oh, you're

---

D Bm7 Em7 A7

Lovely, never, never change

D B7

Keep that breathless charm

Em7 A7 D D7

Won't you please arrange it? 'Cause I love you

Em7 A7

Just the way you look

D Bm Em7 A7 - F#m7 B7 Em7 A9

tonight

Em7 A7 D D6/9

Just the way you look tonight
