

THERE WILL NEVER BE ANOTHER YOU

Harry Warren, Mack Gordon - 1942

verse

D **A7** **D** **Gm6**
This is our last dance together
D **A7** **F#m7b5** **B7**
Tonight soon will be long ago
G **Em7** **A7** **D**
And our moment of parting
Bm7 **E7** **Gm6** **A7**
This is all I want you to know

chorus

D
There will be many other nights like
C#m7b5 **F#7** **Bm**
this, And I'll be standing
Bm7 **Am9** **D7hav**
here with someone new,
Gmaj7 **Em7b5** **A7**
There will be other songs to sing,
Dmaj7 **Bm**
another fall, another spring,
E7
But there will never be another
Em7 **A7alt**
you.

D
There will be other lips that I may
C#m7b5 **F#7** **Bm**
kiss, But they won't thrill me
Bm7 **Am9** **D7hav**
like yours used to do,
Gmaj7 **Em7b5** **A7**
Yes, I may dream a million dreams,
D **F#m7** **B7**
But how can they come true,
D **C#7** **F#m** **B7**
If there will never ever be
Em7 **A13** **D** **Fdim7** **Em7** **Eb7** **D** **C#** **D** ...**Dmaj7**
ano ther you.
