

12th STREET RAG

Andy Razaf, Euday L. Bowman – 1914

C
Down in Kansas City someone wrote a pretty ditty
G7
A melody for all the world to know,
G7
Full of clingy, swingy, singy, harmony that clung to me
C
From the start it never let me go.

C
Soothing to the weary ear, a remedy for every tear
G7
Quick to put some ginger in your feet.
D7
Some treat, sweet heat
G7
That's the tune that they call "12th Street".

C
Joy to each romancer and delight of every dancer
G7
And lucky to the leader of a band,
G7
In a ballroom or a show and over any radio,
C
Bet your boots that it will get a hand

C **C7** **F** **Ab7**
You can brag, it's in the bag
C **D7** **G7** **C**
When they play that 12th Street Rag.

G7
Turnaround: Oh
